

Control closing times

The broom bike marks the end of the regular race. Doctors on the course as well as the medical service are authorized to take participants out of the race for medical reasons. Participants who miss the control closing times will receive a note on their bib and will be disqualified from the race. Participants arriving after a control closing time will not be classified and will not be able to use X-Trail services (food, medical, course guards, timing, ranking, etc.).

The following cut off times are valid and will be carried out strictly:
